

Our vision at **iimpact Australia** is to transform the lives of women, families and entire communities through the education and empowerment of the girl child. **iimpact Australia** works with our partner to help educate **420 girls in 14 Learning Centres** funded by Australians. Our delivery partner is **iimpact India**, operating since 2003.

Today there are **1,700 Learning Centres** operational in over **1,500 villages** educating over **60,000 girls in 11 States** across India, primarily sponsored by corporates and foundations.

# EDUCATING THE GIRL CHILD

## WHAT WE DO

- Secure participation in primary education for all girl children not in school.
- Provide high quality, relevant education through girl-friendly learning centres.
- Encourage and enable each girl to become an independent thinker and self learner.
- Make learning joyful.
- Mobilise and help transform the community.

## ACCREDITATION

### ACNC Compliance

We are regulated by the Australian Charities & Not-for-Profits Commission and are authorised to raise funds from the public.

### Tax Deductibility

iimpact Australia is an endorsed Deductible Gift Recipient, so donations are tax deductible in Australia. 100% of donation funds received by iimpact Australia are applied to the operation of a Learning Centre for the education of primary school aged girls. Members fund all administrative costs so donors do not have to.

## CORPORATE GIVING

Good2Give offers a platform for employers in Australia and New Zealand to match donations by their employees.

Benevity is a global platform for employers to match donations by their employees.

PayPal Giving Fund doesn't charge you or us a fee for donations made via tPayPal, Facebook or GoFundMe.
